

REGISTRATION PACKAGE

2019-2020 School Year

Welcome to the 2019/2020 registration process at Ottawa Christian School.

Your child(ren) is(are) considered enrolled when all of the following forms and documents are completed and cheques are included.

1. All required documents in this package
2. TNT Volunteer Commitment cheque.
3. For new students to OCS, please provide a copy of the latest report card for each child (if applicable) and a copy of their birth certificate or passport. You will also need to contact Ottawa Public Health (OPH) to update your child's immunization record. You can go online to: www.ParentinginOttawa.ca/Immunization to complete this. If this is not completed before school starts, your child will be suspended by OPH.

Please print a copy of the pledge form off at home for your records, then use the "Submit Registration by Email" button on the bottom of this page to submit your entire package by email to the school office. You will receive an email once all of your forms and cheques are received to confirm enrollment.

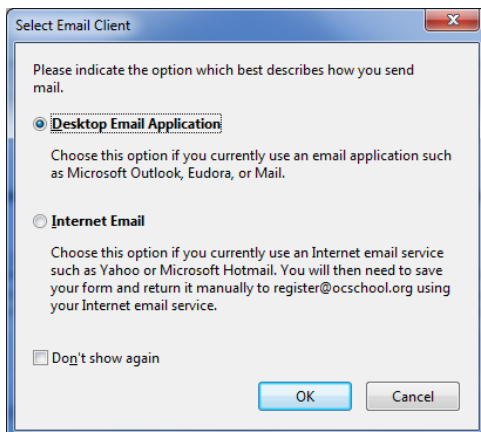

When you see a red box on the forms below, that means information is required in these fields and you will not be able to submit your registration unless they are all filled in.

Please make all cheques payable to "OCS".

Please remember to forward all cheques into the school office to complete your registration. This includes tuition, volunteer TNT, and our optional program - Extended Kindergarten.

All forms up to and including the TNT Volunteer Commitment Form are mandatory. All other forms beyond this are optional programs/services offered by OCS.

Please note that if you are filling in these forms online, your printed name on the signature line signifies authorization.

Please make sure to follow the instructions carefully as you submit your registration package.

Looking to the left, you will see the message screen that pops up when you select the "Submit Registration by Email" button.

Depending on the type of email you have will depend on which button to click. Please make sure you select the correct button and follow the instructions carefully.

This should make your registration easy to complete.

If you have any questions, please call the office 613.825.3000.

IMPORTANT: Families with children enrolled during the current school year who are not returning for the 2019/20 school year must notify the Principal by April 10, 2019. Re-enrollment after April 10, 2019 will be subject to a \$300 enrollment fee and will be subject to space availability.

The cost of providing Christ-centred education at the Ottawa Christian School is funded by both parents of children enrolled in the school as well as the non-parent supporting community. Enrollment at OCS is not based on a fee-for-services-rendered basis because the value of Christian education is immeasurable in financial terms, and the viability of the school depends on much more than the financial contributions of parents - for example the efforts of unpaid volunteers, and significant assets such as the land and building provided by previous supporters. Nevertheless, to ensure adequate financial resources for the operation of the school and equitable sharing of that obligation, the formula on the reverse side of this page determines the financial contribution expected from each family whose children are enrolled at OCS.

For families with children in Grades 1 - 8, the expected pledge is proportional to the family's gross income. Families with unusual circumstances that would affect their ability to pay the calculated amount may apply for tuition assistance. (Contact the Finance Committee for the appropriate form.) Such assistance is given entirely at the discretion of the Tuition Assistance Committee, based on the need of all applicants and the availability of donated tuition assistance funds.

The Ottawa Christian School Association is recognized by the Canada Revenue Agency as a registered charity. As such, we may issue charitable donation receipts for financial gifts to the Association. CRA deems that families whose children attend OCS derive some benefit from that, and therefore, to determine the portion of a family's pledge which can be considered a gift, the school is required to deduct a "cost-per-pupil" multiplied by the number of students that family has enrolled in the school. Charitable donation receipts can be used to reduce the family's income tax, which in effect means that, for most families, the after-tax cost is significantly less than the pledge amount calculated. Note that once receipted, pledges cannot be refunded. This includes advance tuition paid by a family that withdraws from the school.

The revenue derived from tuition does not cover the total cost of providing a Christian, high quality alternative education. Membership fees and donations, church offerings, gift card sales, the annual Walkathon, and other events all help reduce the cost borne by parents. All families are encouraged to participate in fund-raising projects and the volunteer effort that is required to operate the school. Everyone is encouraged to promote the school at every opportunity, and to continue to support the school after their children have graduated, so that others may benefit in the same way.

Parents who enroll their children at OCS agree to abide by the following policies regarding pledges:

The total pledge amount is payable in 10 monthly installments, the first dated June 1, 2019 to the last dated March 1, 2020. The pre-authorized debit form must be completed or ten post-dated cheques, payable on the 1st of each month, must be submitted with the pledge form **on or before April 10, 2019**. An annual lump sum payment for the full year's tuition can be provided on June 1, 2019. Other payment schedules are acceptable only if the amount paid at any given time exceeds that of the schedule defined above.

The pledge amount for a portion of the school year is calculated as 1/10 of the total amount multiplied by the number of months or part-months attended. **Once a family has registered, they are obligated to provide a minimum of three months' notice of intention to withdraw from the school. In lieu of such notice, payment of the pledge amount for the three-month notice period will be required. (The three-month notice is required for cancellation of bus services as well.) Families that enroll during the school year must pay the first three pledge installments in advance.**

I agree to these terms Initials _____

Late, incomplete or incorrect pledge forms, forms submitted without cheques or a pre-authorized debit form, cheques held at the payer's request or not honoured by the bank or any other failure to abide by the payment schedule will be assessed an administration fee of \$30 per month until the situation is resolved. The Finance Committee will consider individual financial circumstances and may waive such fees at its discretion. Families experiencing financial difficulties are encouraged to contact a member of the committee to confidentially discuss their situation. It is our prayer that the burden of the cost of Christian education will be borne by all, in proportion to the means each has been blessed with.

I have read and agree with these policies.

TALENTS AND TIME(TNT)Volunteer Program

At OCS we want to encourage all members of the community to commit to sharing in the volunteer needs of the school. We need your talents and time to help us complete some necessary tasks and keep costs down. In return, you will be a part of a rich community and have a sense of ownership in your school! The volunteer program is called TNT, Talents and Time, two essential ingredients to keep the school healthy and strong.

The TNT year runs from June 1st to May 31st (of the following calendar year). The school requires a post dated **Volunteer assessment cheque** along with your **Volunteer commitment form**; your registration will not be complete without it. If you have completed your hours the volunteer assessment cheque will be returned to you after the 1st of June. If you have not completed your hours by May 31st any outstanding hours will charged to the family at a rate of \$20/hr. If a cheque for the outstanding hours is not submitted by June 10th the volunteer assessment cheque will be cashed.

If you decide that you are not able to fulfill the volunteer requirement please select the 'Opt out' option on the volunteer commitment form and submit along with that your opt out equivalent cheque, dated September 15 of this year. (Please see chart)

	<u>Yearly hours</u>	<u>Opt Out Equivalent</u>
Family with full time student(s)	25	\$500
Single parent family with full time student(s)	15	\$300
Family with two students in kindergarten	25	\$500
Family with one student in kindergarten	15	\$300

You are responsible to track your volunteer hours. They can be logged online at <http://ocschool.org/tnt/> or on a log sheet at the office. Grandparents, graduated students and other family members are welcome to volunteer and accumulate hours for families.

The board and the TNT committee recognize that things happen and sometimes due to extenuating circumstances it is just not possible to for a family to fulfill some or all of their hours. If exceptional circumstances prevent you from fulfilling your commitment please contact the TNT coordinator (Marc Leblanc).

There are many ways to learn how to get involved at OCS. Here are a few: 1) Each week in the memo there will be a list of volunteer opportunities presented, and the person to contact regarding them.

2) The volunteer commitment form you filled in will be used to find volunteers as the events/activities occur. 3) You can also contact your child's teacher(s) and they will be more than happy to discuss how you can best help in the class/school.

It is our desire that every Volunteer assessment cheque be returned at the end of the volunteer year.

Thanks so much for your co-operation! If you have any questions or concerns, please feel free to contact us!

-The TNT Committee-

Remember to attach your Volunteer Assessment cheque (\$500 for family with full-time students and \$300 for single parent family or kindergarten only) dated May 31, 2020.
Registration will not be considered complete until this form is completed and submitted with the cheque.
